PSC Case No. 2007-00477

Dear Sirs:

The Public Service Commission has received East Kentucky Power Cooperative, Inc.'s Petition filed January 14, 2008 requesting to protect as confidential, certain information in its Response to the Commission's Data Request No. 21. This information is identified in the Petition as estimations of avoided energy and demand costs derived from projections of future EKPC capital, fuel and operations and maintenance costs.

A review of the information has determined that it is entitled to the protection requested on the grounds relied upon in the Petition, and it will be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

A handwritten signature in black ink, appearing to read "Beth O'Donnell", written over a circular stamp or seal.

Beth O'Donnell,
